TANF resource limits

TEXAS
Health and Human
Services

TANF

- A household is not eligible for benefits if the total value of accessible resources is over \$1,000.
- A household is not eligible for benefits if resources are over the limit on or after the first interview date.
- If a TANF applicant/recipient fails to provide resource verification for TANF, the advisor must:
 - deny the TANF application, and
 - process the application for non-public assistance (NPA) SNAP eligibility.

TANF deductions

TANF

Households may be allowed the following deductions:

1. work-related expense deduction (up to \$120);
2. 90 percent earned income deduction;
3. dependent care;
4. diversions; and
5. \$75 disregard.
