

The Impact of a Comprehensive Jail-Based Competency Restoration Program at Tarrant County Jail

Ramey C. Heddins
Chief of Behavioral Health Services
MHMR Tarrant

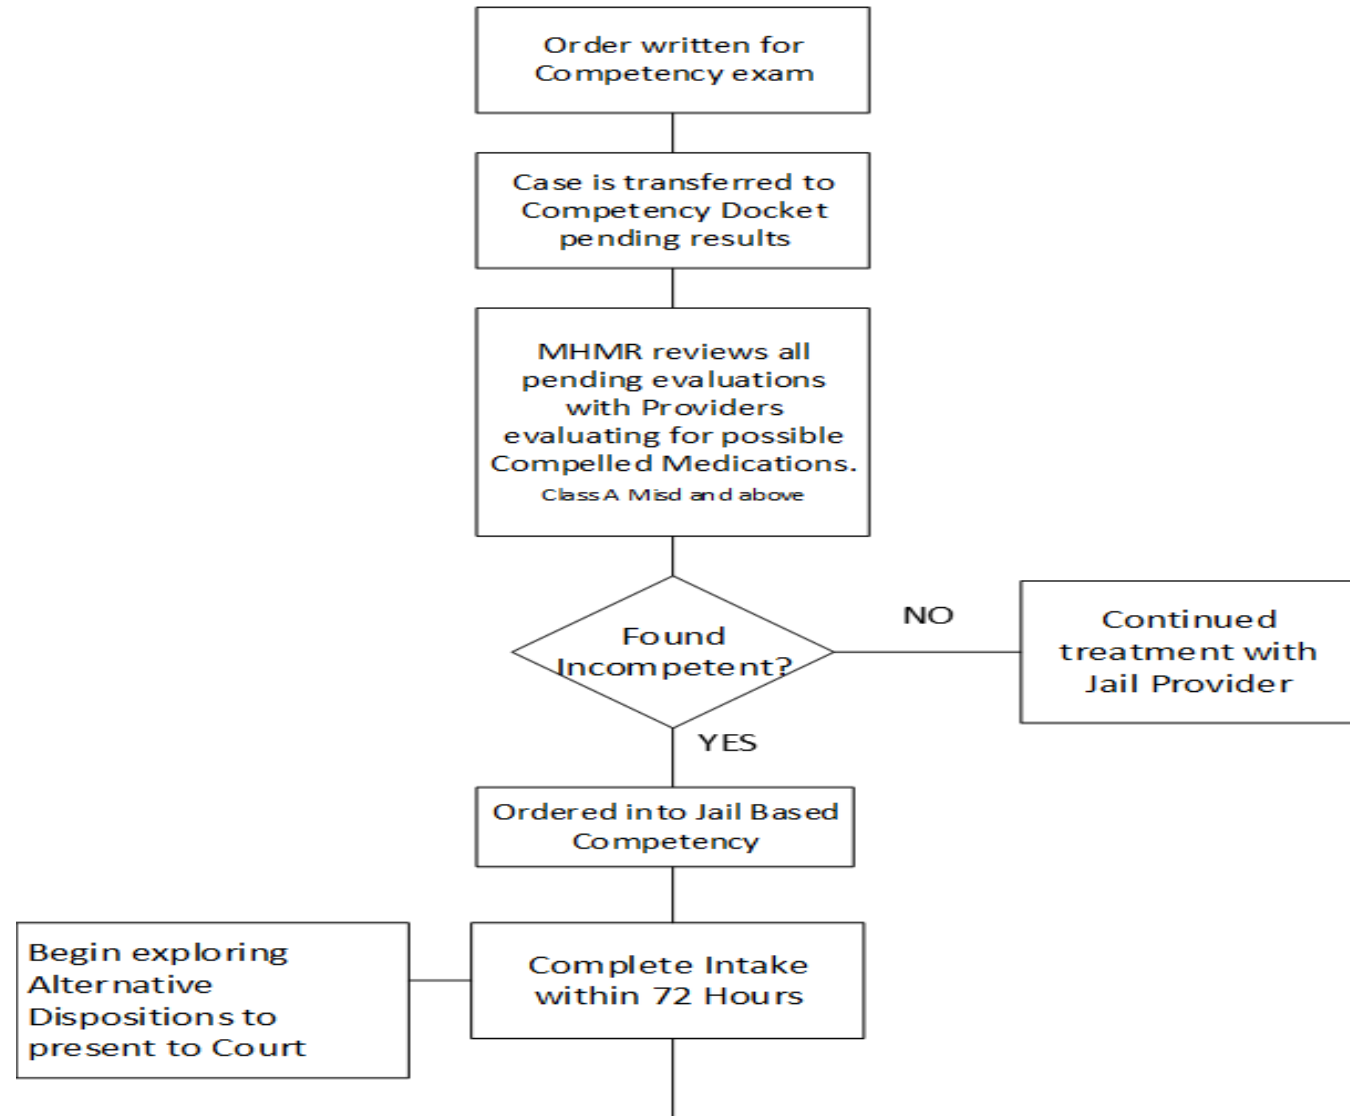

We can not just let people sit on a wait list...

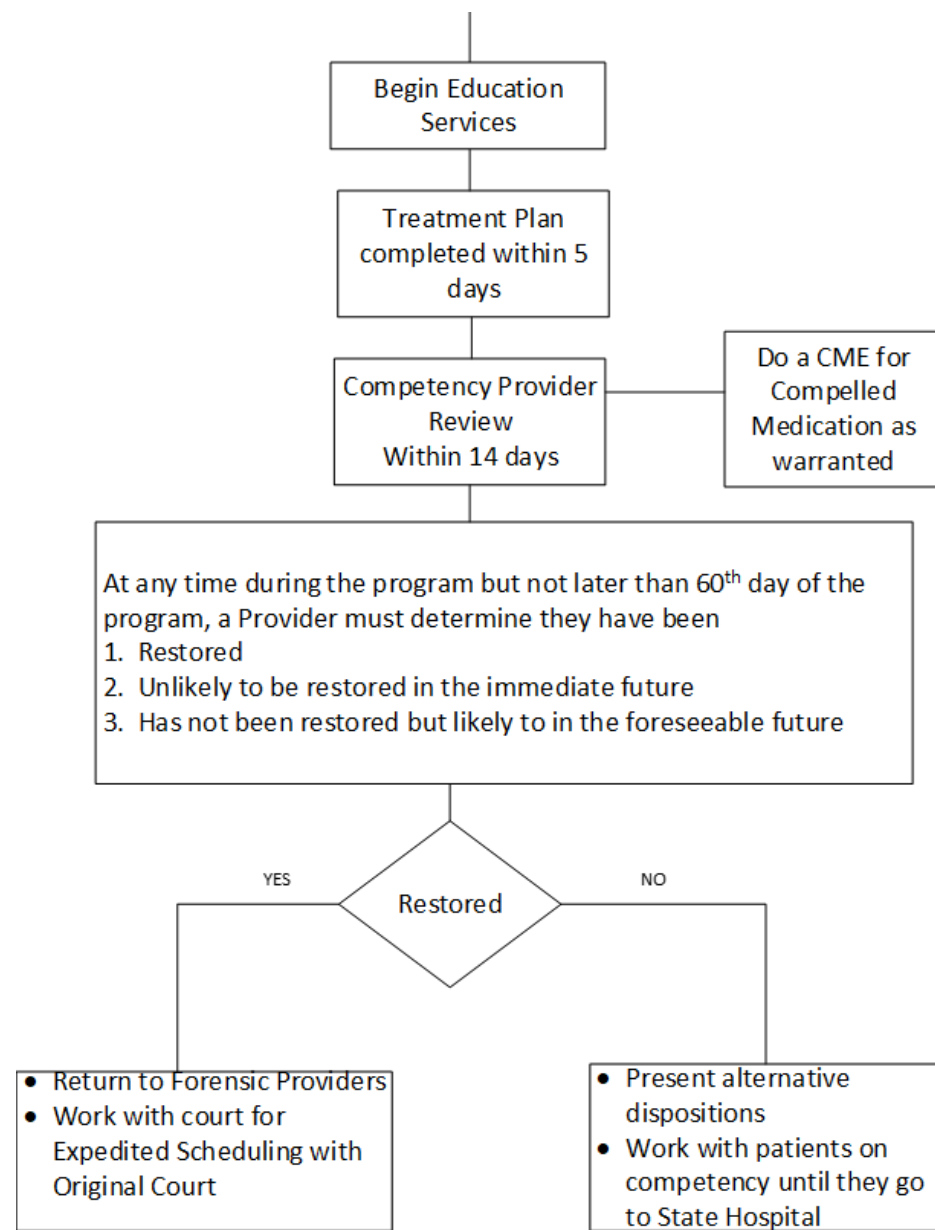

- Mental Health Docket Established - with the Magistrate Judge and District Attorney
- More creative discharge planning— Diversion Center, treatment centers, group homes, placement with families, transitional housing, JPS, etc.
- District Attorney Alternative Dispositions – Dropping of Charges with Discharge, Outpatient Competency Restoration, etc.

Waitlist Plan Continued

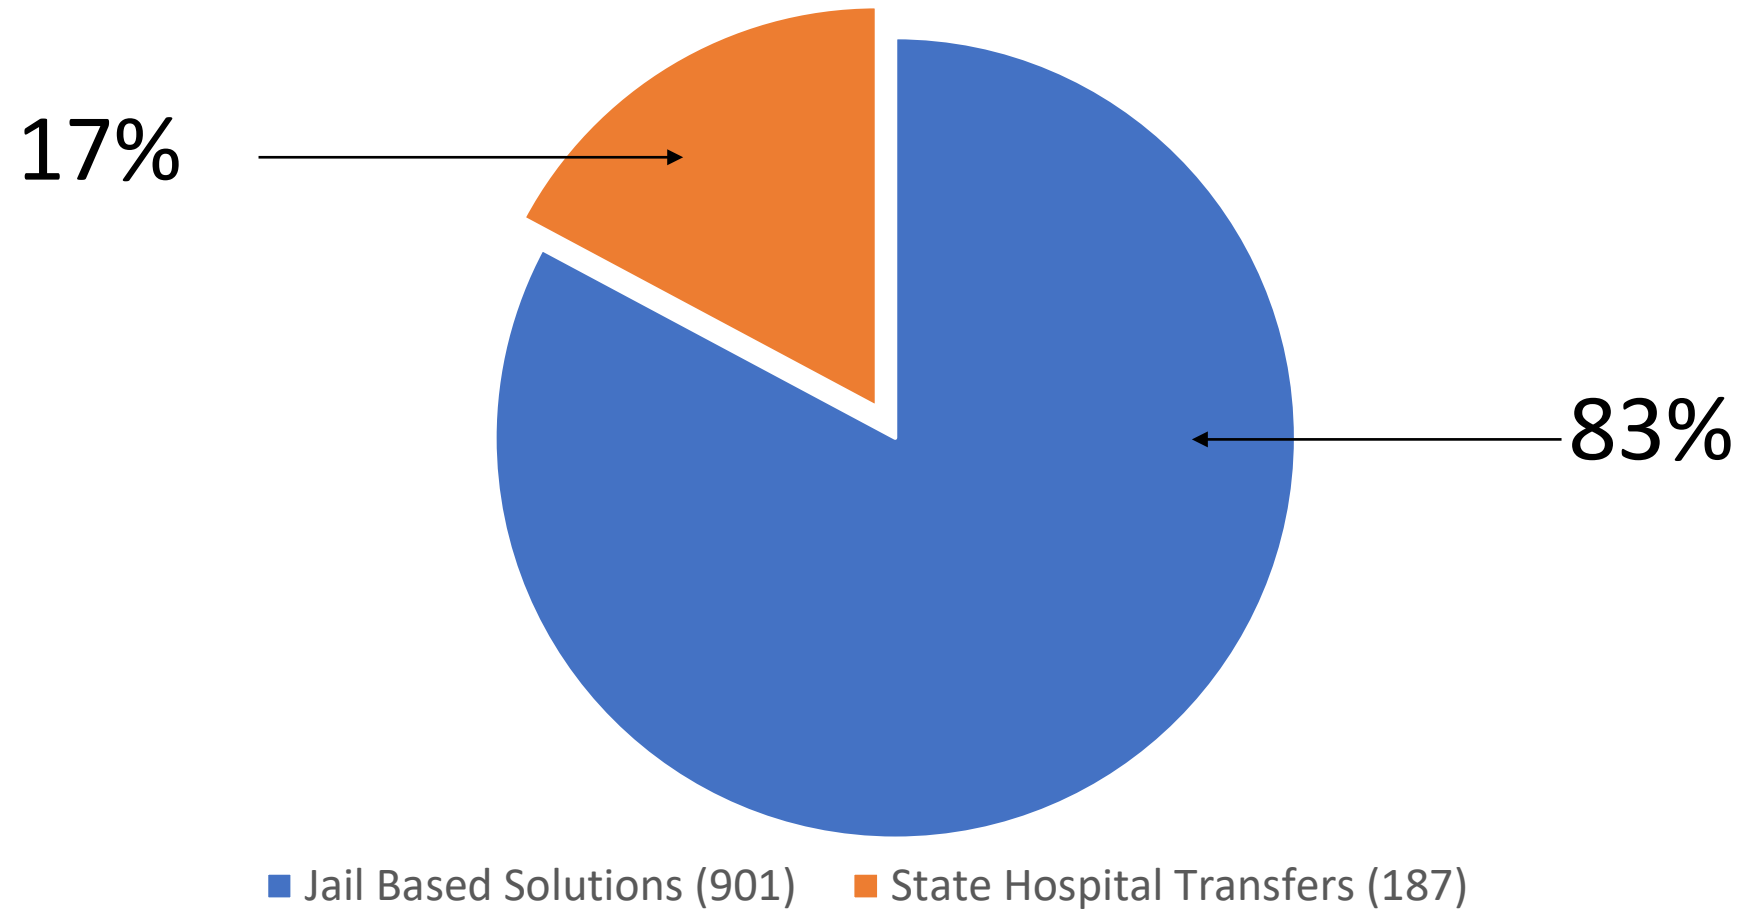

- Establishment of a Competency Focused Treatment Team led by Dr. Jaime Benjamin
- Weekly Compelled Medication Hearing established with Probate Court
- Waitlist Continuation of Competency Restoration Education

Jail Based Competency Flow

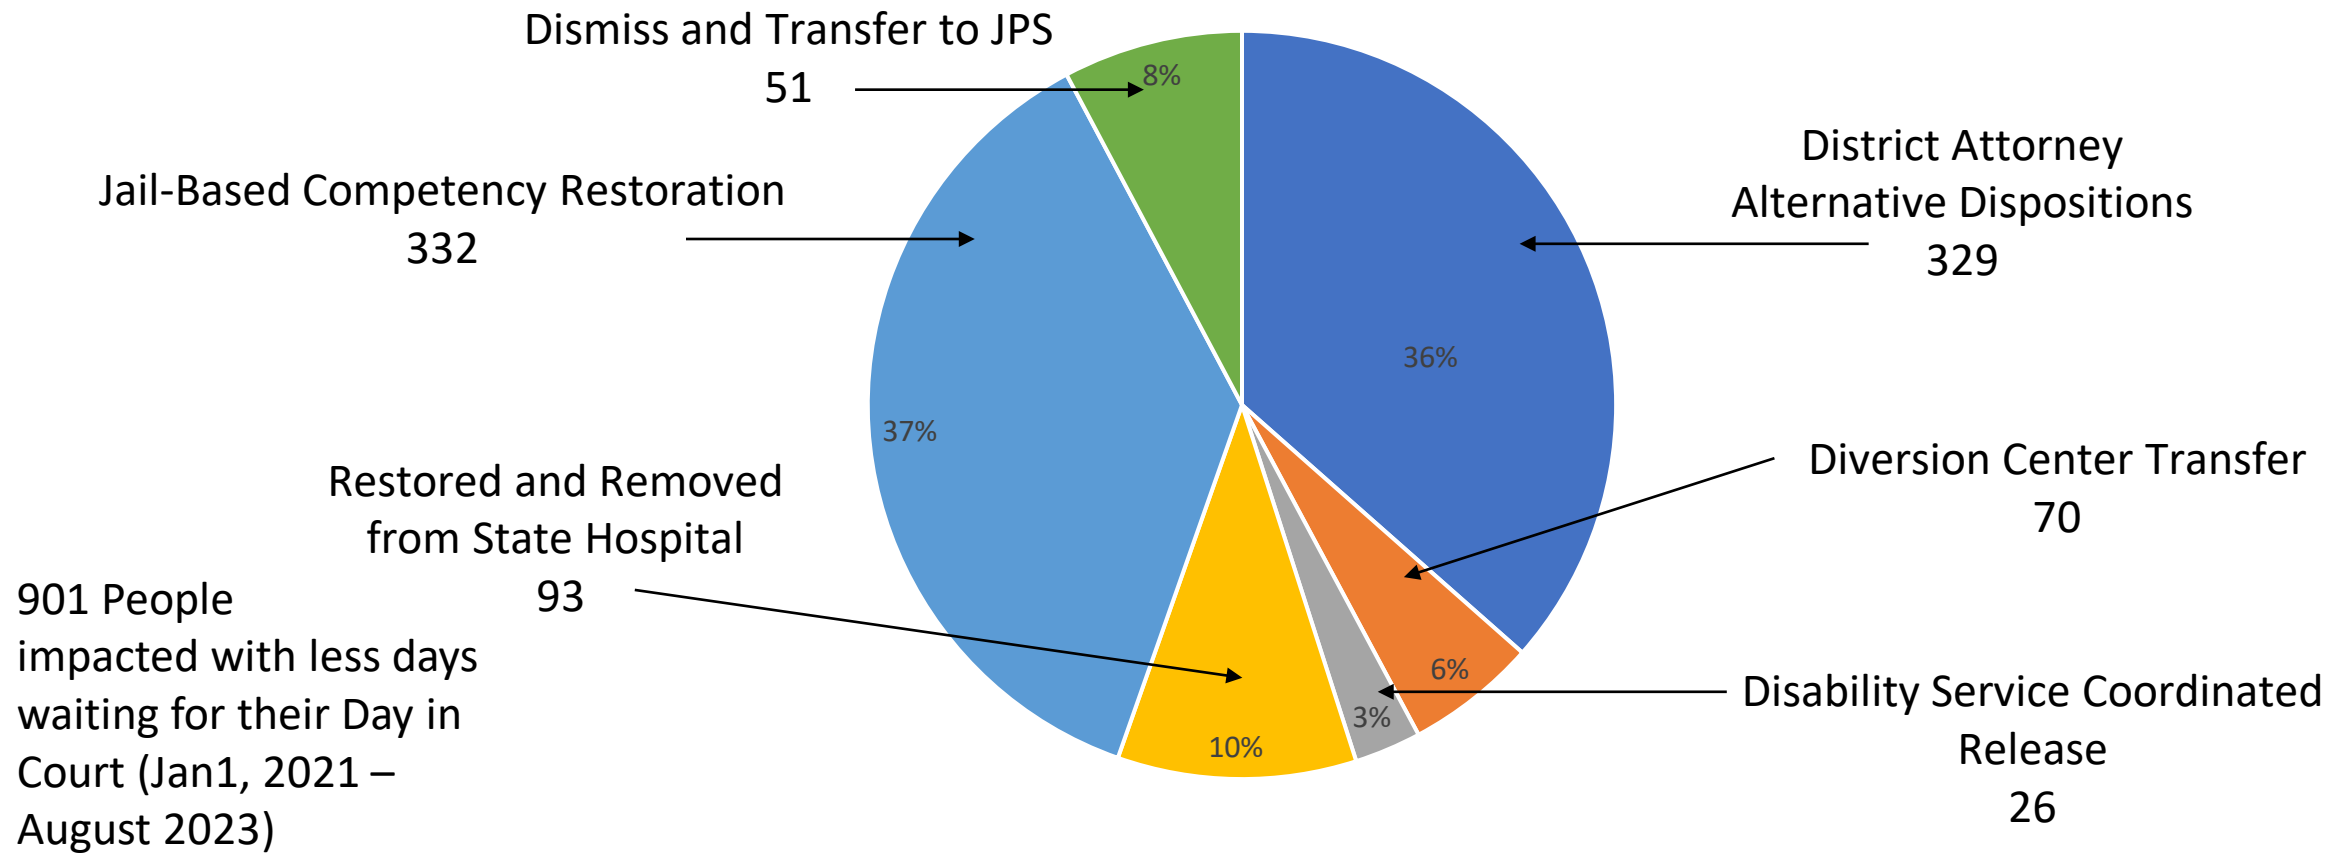

Positive Outcomes of People Found Incompetent

Diversion Options from the State Hospital Waiting List
